Commissioner for Patents**REMARKS**

Claims 1-4, 6-24 and 26-31 remain in the application.

Claims 1, 6, 12, 26 and 27 are herein amended.

Claims 5, 25 and 32-51 are canceled.

In the Office Action of October 20, 2004, the Examiner allowed the subject matter of claims 5 and 25 in Item 5. Accordingly, the Applicants have amended claim 1 so as to include the limitation "*the printed circuit board body having at least three micro-panel layers*", which is essentially the subject matter of claim 5 as previously on file. Accordingly, the Applicants believe that claim 1 is in order for allowance. Following the insertion of the limitation of claim 5 into claim 1, claim 5 is herein canceled. Moreover, as claim 6 previously depended on claim 5, claim 6 is herein amended so as to depend on claim 1.

As the Examiner has allowed claim 25, the Applicants herein insert the limitation of claim 25 into claim 12. Moreover, in view of the insertion of the limitation of claim 25 into claim 12, the "*chassis*" limitation has been repositioned after the "*connector panels*" limitation, so as to have proper antecedent basis.

In view of the insertion of the limitation of claim 25 into claim 12, claim 25 is herein canceled. Moreover, as claims 26 and 27 previously depended on claim 25, claims 26 and 27 are amended in order to depend on claim 12.

In view of the above amendments and remarks, the Applicants believe that this application is in order for allowance, and early notice to that effect is earnestly solicited.

Respectfully submitted,
Sylvain MARCOTTE et al.
